in which Tinker Bell and her fairy friends have been transported into a land where nature is threatened by human greed and corruption.Q: Matching a search using variables I am trying to add a if statement to the switch statement. I have tried it with :

```
(e.text == null){ varID = "search"; varID = (String)document.getElementById(varID); if (e.text == ""){  
    document.getElementById(varID).style.backgroundColor="#e8e8e8"; } else{
```

```
document.getElementById(varID).style.backgroundColor="#e2e2e2"; } But i keep getting error in the if statement. Any idea  
what i am doing wrong? A: You can't use == for comparison in JavaScript. That's just how comparison is done in Java and C#.
```

Also, == is a reference equality comparison, so you want to compare the objects' values instead: if (e.text.value == "") { ...
DETROIT -- A 10-month-old girl who went missing during a visit to her family's doctor was found Wednesday in a home under

construction in Detroit, where she was playing with a little girl she called "bro," police said. Firefighters, police and Detroit animal control found the girl in the home on Denton Avenue in Detroit about 12:30 p.m. after receiving a tip, said fire official John Roach. Fire officials did not say how the baby was unharmed, and police could not immediately be reached to comment.

Roach said that the girl's mother, who was also playing with the child when she disappeared, said the girl was playing in the home's basement when the incident occurred. Roach said firefighters and police were unable to locate the mother, who had last been seen by the baby's father about 10 minutes before the girl was found. Roach said the owner of the property told him that the home had recently been purchased. "It was obvious that this was a newly built home," Roach said. "It was a construction site."THE F

Play as Tinker Bell and other fairs in various mini-games. Best for children over 6 years old. The game is available on Steam. Adventure - Walkthrough - Part 4 - Winter Morning (PC HD) [1080p60FPS ... In one of the Tinker Bell games (called "Snow Pie"), you walk through the streets of a city where there is a fair where everyone is dressed as Santa Klaus. You run through the streets and as you run you see many things that you can use like bells to ring bells and get points - so you can earn more time on the map. As you run through the fair, you see many different people wearing different Santa Claus costumes. fffad4f19a
